

# Anywhere

Sigma

I'll go anywhere with you  
Anywhere with you  
Anywhere with you  
I'll ride, I'll ride away with you

We were following the Cambridge signs  
Trynna get the music right  
In my shitty old car with the scratched up sides  
Open windows all the way  
'Coz I ain't got no AC, babe  
Let the radio sing what we would say

'Coz Sundays last forever  
When I got you, baby  
If you're driving with me

I'll go anywhere with you  
Anywhere with you  
Anywhere with you  
I'll ride, I'll ride away with you  
Anywhere with you  
Anywhere with you  
Anywhere with you  
I'll ride, I'll ride away with you, you, you, you...  
I'll ride, I'll ride away with you  
Anywhere with you  
Anywhere with you  
Anywhere with you  
I'll ride, I'll ride away with you  
Anywhere with you  
Anywhere with you  
Anywhere with you  
I'll ride, I'll ride away with you  
I'll ride, I'll ride away with you

Looking for a pick me up  
I don't really want to stop  
I'm driving fast, got a buzz from the coffee cups  
Only filled the tank half up  
So I could spend the rest on us  
Don't need gas, got enough, we running on love

'Coz Sundays last forever  
Yeah, I'm glad you saved me  
If you're driving with me

I'll go anywhere with you  
Anywhere with you  
Anywhere with you  
I'll ride, I'll ride away with you  
Anywhere with you  
Anywhere with you  
Anywhere with you  
I'll ride, I'll ride away with you, you, you, you...  
I'll go anywhere with you  
Anywhere with you  
Anywhere with you

Anywhere with you  
I'll ride, I'll ride away with you  
Anywhere with you  
Anywhere with you  
Anywhere with you  
I'll ride, I'll ride away with you

'Coz Sundays last forever  
When I got you, baby  
When you're driving with me  
You always make it better  
Yeah, I'm glad you saved me  
If you're driving with me

I'll go anywhere with you  
Anywhere with you  
Anywhere with you  
Anywhere with you  
I'll ride, I'll ride away with you  
Anywhere with you  
Anywhere with you  
Anywhere with you  
I'll ride, I'll ride away with you

I'll ride away with you, you  
I'll ride away with you  
I'll ride away with you, you  
I'll ride away  
I'll ride, I'll ride away with you
