Maybe I'm scared to fly
Funny how fear of heights
But push you to gettin' high
Money can't buy you love
But it can get you by
Until they say goodbye, yeah, yeah
I'm so used to wakin' up to someone new
I'm so used to breakin' up, I'm breakin' down
I'm so used to pain it makes me comfortable
Learned to hide my sabotage in camouflage

Yeah, but this time I want
Forever, forever, forever, yeah
Yeah, but this time we'll last
Forever, forever, forever, yeah

Promise I will stay
I will never leave you
Forever and a day
That's how long we'll be together, yeah
