

I had doubts and I didn't think that I was ready  
Overthinking and my head was feeling heavy  
They had it all and they didn't want to give me any  
Now everything I do I kill it like it's Kenny  
There was times when I never had a penny  
Now I'm on a beach with a baddie sippin' Henny  
They had it all and they didn't want to give me any  
Now everything I do I kill it like it's Kenny

Kill it like I got a license to  
Put you down when you're winning, that's what they like to do  
In the background, always got their eyes on you  
Keep on shining, don't let them take that light from you  
I told myself that I can do this yo  
Putting in the work, I do hours in the studio  
Kept my head high when it was dry and I was moving slow  
Big up the heads that always told me I was due to blow

I had doubts and I didn't think that I was ready  
Overthinking and my head was feeling heavy  
They had it all and they didn't want to give me any  
Now everything I do I kill it like it's Kenny  
There was times when I never had a penny  
Now I'm on a beach with a baddie sippin' Henny  
They had it all and they didn't want to give me any  
Now everything I do I kill it like it's Kenny

Kill it like a hit man  
Everytime I sit on a riddim I got a hit man  
Got them all shook and I didn't even have to hit man  
Didn't have a clue then I just stopped and it just hit man  
Damn, I can do what I want  
I can be who I am, go wherever I like  
Gotta stick to the plan, it was me and the fam  
I been true to the game, ever since I began

Kinda mad you know  
All those late nights  
All those studio sessions  
Been some crazy times  
Times it didn't feel like it would work still  
But we deya, haha

I had doubts and I didn't think that I was ready  
Overthinking and my head was feeling heavy  
They had it all and they didn't want to give me any  
Now everything I do I kill it like it's Kenny  
There was times when I never had a penny  
Now I'm on a beach with a baddie sippin' Henny  
They had it all and they didn't want to give me any  
Now everything I do I kill it like it's Kenny
