

Maniac

Sigma

Just a steel town girl on a Saturday night
Lookin' for the fight of her life
In the real-time world no one sees her at all
They all say she's crazy

Locking rhythms to the beat of her heart
Changing woman into light
She has danced into the danger zone,
When the dancer becomes the dance

It can cut you like a knife
If the gift becomes the fire
On the wire between will and what will be

She's a maniac, maniac on the floor
And she's dancing like she's never danced before
She's a maniac, maniac on the floor
And she's dancing like she's never danced before

On the ice-build iron insanity
Is a place most never see
It's a hard warm place of mystery,
Touch it, but can't hold it

You work all your life for that moment in time
It could come or pass you by
It's a push of the world but there's always a chance
If the hunger stays the night

There's a cold kinetic heat
Struggling, stretching for defeat
Never stopping with her head against the wind

She's a maniac, maniac, I sure know
And she's dancing like she's never danced before
She's a maniac, maniac, I sure know
And she's dancing like she's never danced before

It can cut you like a knife
If the gift becomes the fire
On the wire between will and what will be

She's a maniac, maniac, I sure know
And she's dancing like she's never danced before
She's a maniac, maniac, I sure know
And she's dancing like she's never danced before

Maniac, maniac, I sure know
And she's dancing like she's never danced before...
