

Night And Day

Sigma

All night and day
All night and day
All night and day
All night and day
All night and day
All night and day
All night and day
Why me
Baby baby
Don't leave me
My mind is hurting
You don't hear me
Baby baby
Don't leave me
I'll do what it takes
Any way I can
All night and day
All night and day
All night and day
All night and day
All night and day
All night and day
All night and day
Why me
All night and day
All night and day
All night and day
All night and day
All night and day
All night and day
All night and day
Any way I can
Why me
Why me
Any way I can
I need you girl
Said I need you
I want you babe
Why me
All night and day
All night and day
All night and day
Why me
Baby baby
Don't leave me
My mind is hurting
You don't hear me
Baby baby
Don't leave me
I'll do what it takes
Any way I can
All night and day
All night and day
All night and day
All night and day
All night and day
All night and day

All night and day
Why me
All night and day
All night and day
All night and day
All night and day
All night and day
All night and day
All night and day
Any way I can
Why me
Why me
Any way I can
Any way I can
