The Corner

Sigma

Half past 12 I said I'll meet ya
In the corner by the speaker
We can get a little closer
Dance until the night is over
Because when we are together
I'm always wishing it's forever
With the way you're looking at me
All that's left for me to say is

So we're standing on the dance floor
The lights have all come on now
Crowd is calling DJ one more
Before they shut the club down
We're still both here together
Maybe we could last forever
Then I ask you should I walk you home
You turn to me and say

Vibration is coming from the Sound System
Our loving has a vibration
The soul has a vibration
Vibration is coming from the Sound System
Our loving has a vibration
Our loving has a, our loving has a
Loving has a...
