

UP ALL NIGHT

Sigma

You keep me up all night
Don't ever let me down
You keep me up all night
My feet don't touch the ground
You keep me up all night
It's the way you make me feel
You keep me up all night
Up, up, up all night

24 hours round the clock just ain't enough
One day becomes two, we go out way more often than not
Sunday, Monday, Tuesday, Wednesday, stuck here in a rut
Then Thursday, Friday, Saturday comes and the only way is up, up
We're levelling up, up
You keep me
(Up all night)
We're taking it up, up
Vibes are up, up
Life's on the up, up
You keep me
(Up all night)
Up all night I'm up, up, up, up

You keep me up all night
Up, up, up all night
You keep me up all night
Up, up, up all night

Let's go dancing all night dancing feet don't touch the floor
Up all night with you us two knew exactly what's in store
As long as I've got you there's nothing more I'm looking for
You flipped up my whole world the minute you knocked at my door
Come and find you every week but I know you're no good for me
You keep me up all night you're on my mind no I don't sleep
It's the way you make me feel I've never felt a love so deep
It's the feeling of release when you let go and you break free

Last night felt like a dream
For that moment we were totally lost in it together
We were dancing like kids
Just you and me
We stayed till the lights came up
I don't think we left the dance floor once
Since you stepped into my life everything's been on the up
Listen, I can't thank you enough

Up all night we stay up
Keep me high on your love
Been thinking 'bout you too much
Hold me tight with your touch
You keep me up all night
Yeah, you keep me up all night

You keep me up all night
Up, up, up, all night
You keep me up all night
Up, up, up, all night, you keep me

You keep me up all night
Up, up, up, all night
You keep me up all night
Up, up, up, all night
