

Last Friday Night

sign crushes motorist

There's a stranger in my bed
There's a pounding in my head
Glitter all over the room
Pink flamingos in the pool
I smell like a mini bar
Dj's passed out in the yard
Barbies on the barbecue
Is this a hickey or a bruise?

Pictures of last night ended up online
I'm screwed, oh well
It's a blacked out blur, but I'm pretty sure it ruled

Last friday night
Yeah we danced on table tops
And we took too many shots
Think we kissed but I forgot
Last friday night
Yeah we maxed our credit cards
And got kicked out of the bar
So we hit the boulevard
Last friday night
We went streaking in the park
Skinny dipping in the dark
Then had a ménage à trois
Last friday night
Yeah I think we broke the law
Always say we're going to stop

This friday night
Do it all again
But this friday night
Do it all again

Trying to connect the dots
Don't know what to tell my boss
Think the city towed my car
Chandelier is on the floor
Ripped my favorite party dress
Warrants out for my arrest
Think I need a ginger ale
This was such an epic fail
