Grow

Sigrid

Bright lights
At midnight
The city
At my fingertips

Movies in hotels
Got one foot out
And one foot in

How do you know?
How do you know?
How do you know
When the love goes?

I didn't wanna call you right now
But right now the lights out
And I need you now

You never said it would be easy
But I thought it could be
All figured out

White hills
And white walls
Hang pictures
How we used to be

Left half my heart
In our living room
I'm stuck in between

How do you know?
How do you know?
How do you know
When it's time to grow?

I didn't wanna call you right now
But right now the lights out
And I need you now
You never said it would be easy
But maybe it could be
All figured out

Take me anywhere
Take me anywhere
Take me anywhere
I'm home
Take me anywhere
Take me anywhere
Take me anywhere
I'm home

Take me anywhere
Take me anywhere
Take me anywhere
I'm home
