

Haunted

Sigrid

Your arrow knife is trapped by shadows, I'm chasing
You in the dark, I know that I'm safe, but I'm burning
I know, I like the danger
And I like it when it burns...
Follow and you say you'll get me out, but you're lying

Stuck in my head, and I'm afraid to let you know
Know
Stuck in your game, but I don't wanna play, no
No

Let me go
Tried to break the chains of you
But I'm haunted
But I'm haunted
Like a ghost
When you're singing me to sleep
But I'm haunted
But I'm haunted

Now
My skin is pale, shaking by your touch
Shivering, I feel the rush of blood
I know, I like the danger
And I like it when it burns...
Follow and you say you'll get me out but you're lying

Stuck in my head, and I'm afraid to let you know
Know
Stuck in your game, but I don't wanna play, no
No

Let me go
Tried to break the chains of you
But I'm haunted
But I'm haunted
Like a ghost
When you're singing me to sleep
But I'm haunted
But I'm haunted

Now
Step by step, you watch me go
'Cause your spiderweb has taken its toll
Step by step, you watch me go
'Cause your spiderweb has taken its toll

Stuck in your game, but I don't wanna play, no
No

Let me go
Tried to break the chains of you
But I'm haunted
But I'm haunted
Like a ghost
When you're singing me to sleep
But I'm haunted

But I'm haunted

Let me go

Tried to break the chains of you

I tried to break the chains of you (But I'm haunted)

I tried to break the chains of you (But I'm haunted)

Like a ghost

When you're singing me to sleep

But I'm haunted

But I'm haunted
