

The Hype

Sigrid

In your dreams
Was it perfect
Did it feel real
Was it worth it

I don't wanna go back
To that place
So insecure
Was I not the girl you signed up for

I know why
You wanna talk
'Cause you only call me when I've done something extraordinary

Tell me, did you ever love me

Did you ever love me
Did you ever love me
Honestly did I live up to the hype
'Cause you held me
Held me like a trophy
Then left the party when the magic died

Yeah you
Gonna be sorry and I'll be fine
Tell me
Did I live up to the hype
Did I live up to the hype

In my dreams
You stuck around
You didn't leave
When I let my guard down

I don't wanna go
Back to that place
So insecure
Was I not the girl you signed up for

I know why
You wanna talk
'Cause you only call me when I've done something extraordinary

Tell me, did you ever love me

Did you ever love me
Did you ever love me
Honestly did I live up to the hype
'Cause you held me
Held me like a trophy
Then left the party when the magic died

Yeah you
Gonna be sorry and I'll be fine
Tell me
Did I live up to the hype
Did I live up to the hype

So I hope you enjoyed the ride
Now I'm out of sight
But still on your mind

Did you ever love me
Did you ever love me
Honestly did I live up to the hype
'Cause you held me
Held me like a trophy
Then left the party when the magic died

Yeah you
Gonna be sorry and I'll be fine
Tell me
Did I live up to the hype
Did I live up to the hype
