

Love Missile F1-11

Sigue Sigue Sputnik

US bombs crusin' overhead
There goes my love rocket red
Shoot it up
Shoot it up

Blaster bomb bomb bomb ahead
Multi Millions still unfed
A mondo teeno givin' head
Shoot it up
Shoot it up

Hold Me shake me, I'm all shook up
Psycho Maniac, interbred, shoot it up
Now shoot it up

Shoot it up
Shoot it up
Shoot it up

Teenage crime now fashion's dead
Shoot it up
There goes my love rocket red
Shoot it up
Shoot it up
Shoot it up
Shoot it up
Shoot it up
