## Giggle

I'm so darn giddy With my pretty one and only Down with my band, we hate the "monkey" I'm gonna pinch everyone around me And then I'll giggle 'cause I'm really stinking happy YUP, today I'm gonna pick a couple daisies Put'em in my hair and act all crazy I'm gonna tickle everyone around me And make'em giggle till they're really stinking happy I'm just a farce You can't believe me The look on all your faces shows to my You're not happy You need Christ I'm still a farce You still can't belive me The look on all your faces shows to my You're not happy You need Christ I'm so darn giddy With my pretty one and only Down with my band, we hate the "monkey" I'm gonna pinch everyone around me And then I'll giggle 'cause I'm really stinking happy

## Silage
