Distance, yeah  
See you everywhere I go  
Aye  
Don't pay attention  
See you everywhere I go

Had enough pain but I'm trusting you  
I can make a million but it must be you  
I don't care about what the fuck we do  
You got time when I got too  
Show you 'bout the love, baby when you come through  
Break it all down, this a bug we blew  
Tell me 'bout her and the past we knew  
Seen it in your heart that you must be blue

Come closer  
You know what's up  
You know it's love  
Come closer  
You know what's up  
You know it's love  
You know it's us, yuh

Tell me when you realize, lovin' is a real lie, oh yeah, yeah, yeah  
Look into my eyes like, this is really real life, oh yeah, yeah, yeah  
Tell me when you see right, we can live a real-life, oh yeah, yeah, yeah

Oh, yeah, yeah, yeah  
Yeah, yeah, yeah

Come closer  
You know what's up  
You know it's love  
Come closer  
You know what's up  
You know it's love  
You know it's us, yuh

Sometimes, baby girl, I wonder why you ran away  
Was it cause I never had no money in my bank today?  
Sleepin' on this bench it got me feelin' like the anime  
Putting my whole story on the page like an anime  
Lately, I been feelin' like a mothafuckin' sinner  
No money for my dinner  
Can I get away, please god answer me  
Cause I'm lookin' for love and bitches don't give a fuck about me  
I don't trust bitches  
I don't love bitches  
I be chillin' in the cut where they rust snitches  
I be laughing to the bank when the gun hit ya  
I be countin' up my money give a fuck with ya  
Cause I'm makin' all this bread, got the gold on me  
And your new man, yeah that is a fo' for me  
I was ridin' Deuce Deuce got a fo' on me  
When I pull up on his ass, bet he gon' fold on me

Come closer

You know what's up  
You know it's love  
Come closer  
You know what's up  
You know it's love  
You know it's us, yuh

You know what's up  
You know it's love
