Silas

How, do you feel  
About me coming over so we get freaky  
Athi now, grab your keys  
I'm losing composure, come put me to sleep  
I said I'm, about to leave  
So could you be patient I'll be there in 3  
I said I'm, on my knees  
'Cause baby only you can do this to me

Been so long  
All of my loving I give it to you  
My love  
I just don't wanna stop  
Been so long  
All of my loving I give it to you  
My love  
I just don't wanna stop

How you feel about  
Coming over to a nigga for the night  
Bathi if you nervous you can hit the lights  
I know that we only messing out of spite  
Who you like, who you like  
Nguzw' ibari yakho cannot hit it right  
Hlezi ubukh' emuva, bathi ufile itswaai  
Ngoba usa khumbula uguthi ngi shayi ipipe  
Shayi pipe, shayi pipe  
Mario  
Bathi intwana ishay' istina  
Head is gold  
Bari ngwana o ya tswenya  
Rodeo  
How she rode it though  
Said I'm Romeo  
Umtwana uphuma ngama window  
Holy Ghost, bari ung' pitsa ka mabitso  
Emmanuel  
Athi cama kuphel'  
So ngim' khota khota with the Ultramel  
Baby geez

Been so long  
All of my loving I give it to you  
My love  
I just don't wanna stop  
Been so long  
All of my loving I give it to you  
My love  
I just don't wanna stop

Been so long, baby without you  
I need you, baby I need you  
Been so long, baby without you  
I need you, baby I need you  
Been so long, baby without you  
I need you, baby I need you  
Been so long, baby without you

I need you, baby I need you  
Been so
