

Tarzan

Silas

Uhm
Can I sit next to you
That the sort of line your girls find impressionable
Hmm, play the perfect guy, act respectable
Once I give in to your whims, then I'm penetrable
Hmm, ayt
Give me just one night
Play by the rules, only move if the green light
Hit, then vroom
The four pipes, they brrrrrr
Ke Bhubhesi in the Gush'
Ke trapa skoen
Ok sho, Nyovest
Wena put me to test
Ko sgela, ne kei shapa maths
You know, 1 plus 1
Rhythmic Elements, 2 by 2
Ke tla ba Ridge, just be my Brooke
Because irregardless, whatever goes down
We might Icarus, come crashing down
Might get burned
You still Scarlet when the sun goes down
You once told me when I hit your dial

Don't put your faith in me now
No exorcise no demon
Not a sterring, Segal
But I would still die for you
Get away with me love
Know you scared but see love
You don't play, no winner
You see what you make me do
You got me like
Eeeeeeeeeeeeeeeee
Aaaaaaaaaaaaaaaaa
Oooooooooooooo
Uuuuuuuuuuuu
Eeeeeeeeeeeeeeeee
Aaaaaaaaaaaaaaaaa
Oooooooooooooo
Uuuuuuuuuuuu

Ithi peh, ithi phe
Ithi phe
Let your loving
Free you from your chains
Get away, get away
Get away
I guess I'm the
Tarzan to your Jane
Know I'm scared, know I'm scared
No one's ever
Made me feel this way
Summer rain, summer rain
Summer rain
You like a rainbow
Take all the pain away

Don't put your faith in me now
No exorcise no demon
Not a sterring, Segal
But I would still die for you
Get away with me love
Know you scared but see love
You don't play, no winner
You see what you make me do
You got me like
Eeeeeeeeeeeeeeee
Aaaaaaaaaaaaaaa
Ooooooooooooo
Uuuuuuuuuuu
Eeeeeeeeeeeeeeee
Aaaaaaaaaaaaaaa
Ooooooooooooo
Uuuuuuuuuuu
