

# How Could You Say You Love Me

Silk

You really hurt me, you left me out in the rain  
You left me nothing but a lot of memories and pain  
I thought that you were happy

That we would be forever but I was wrong  
I couldn't see the signs you gave  
You never even let me know, no, no, no

How could you say you love me  
If you really didn't mean it?  
I gave you all the love I had to give

Baby, I trusted you with all my heart  
You took my love, tore it apart  
How could you say you love me  
If you didn't mean it, if you didn't mean it?  
No, no, didn't mean it

I never left your side, I was there through thick and thin  
And baby when you would cry, your heart I would always mend  
How could you throw love away? You left me flat right on my face  
I'm so sad, my feelings all have run away  
And I'm living in loneliness, so lonely, so lonely

How could you say you love me  
If you really didn't mean it?  
I gave you all the love I had to give

Baby, I trusted you with all my heart  
You took my love, tore it apart  
How could you say you love me  
If you didn't mean it, if you didn't mean it?

How could you say you love me  
If you really didn't mean it?  
I gave you all the love I had to give

Baby, I trusted you with all my heart  
You took my love, tore it apart  
How could you say you love me  
If you didn't mean it, if you didn't mean it?

Tore my love, tore my heart, baby  
You hurt me so bad, now I'm standing here so sad  
Oh, babe, oh, my, my baby

Don't know what to do  
Don't know what to say  
Don't know how to feel, hurt me so bad  
If you didn't mean it  
You shouldn't have said
