Silk

Ooh, la la la la la lullaby, baby  
This is Silk's nursery rhyme, baby  
La la la la la lullaby, well, well, oh  
Check it out

This one's dedicated to my first love  
Baby, baby, baby, baby  
Don't you know you drive me crazy  
With your sexy body lady, lady

Would you like for me to creep over to your crib  
Just say when, say when  
I would like to be the one who loves you down  
And serenade your sexy body with this nursery rhyme

Hush little baby don't say a word  
Silk is gonna buy you a mocking bird  
And if that mocking bird don't sing  
Silk is gonna buy you a diamond ring

If that diamond ring don't shine  
I guess I'm gonna have to give you something else of mine  
Would you like that, would you like that  
You can have this, if you want this  
I'm gonna give you lovin', lovin' is what your body needs

Oh, if you let me come over, pretty thing  
You can play the name game  
Don't you know that [Incomprehensible] I can't wait [Incomprehensible]  
That's what you'll be saying and you know that I'll be staying

So conjunction, junction was your function  
Do you want me girl, do you need me girl  
Ooh, baby girl, I'm on my way  
And when I get there, this is what I'm gonna say

Hush little baby don't say a word  
Silk is gonna buy you a mocking bird  
And if that mocking bird don't sing  
Silk is gonna buy you a diamond ring

And if that diamond ring don't shine  
I guess I'm gonna have to give you something else of mine  
Would you like that, would you like that  
You can have this, if you want this  
I'm gonna give you lovin', lovin' is what your body needs

I love you, you love me  
Can we go and play a game of hide and seek  
So baby close your eyes, count to five  
If you find me, you better treat

I want you, you want me  
Baby can we, you and me fulfill our fantasy  
'Cuz without a doubt, you're the one  
The only one to make me go  
Five, four, three, two, one

Ready or not, baby here I come

Hush little baby, don't say a word  
Silk is gonna buy you a mocking bird  
If that mocking bird don't sing  
Silk is gonna buy you a diamond ring

And if that diamond ring don't shine, it don't shine  
I guess I'm gonna have to give you something else of mine  
Oh oh, baby, would you like that, would you like that  
You can have this, if you want this  
I'm gonna give you lovin', lovin' is what your body needs

Would you like that, would you like that  
You can have this, if you want this  
I'm gonna give you lovin', lovin' is what your body needs

Would you like that, would you like that  
You can have this, if you want this  
I'm gonna give you lovin', lovin' is what your body needs  
[Incomprehensible]
