

Secret garden (Sweet Seduction Suite)

Silk

Tell me your secret
I don't just want to know
About any secret of yours
I wanna know about
One special secret (oh)
Because tonight I want you
To learn all about the
Secrets in your garden
I wanna read your mind
Know your deepest feelings
I wanna make it right for you
Baby, show me, let me
Share the mystery, ohh
Come on, come on
Come on, come on
Listen to your heart tonight
Come on, come on
Come on, make it alright, yeah
Come on, come on tonight
I know a melody
We can sing together
I've got the secret key
To you, baby
Let's make music
Harmonize in ecstasy
Come on, come on
Come on, come on
Come on and sing it to me
Here in the garden where
Temptations feel so right
Passion can make you fall
From what you feel
In the garden (hoooo)
We can make it come alive
(We can make it come alive)
Every night (every single night)
Oh, your secret garden (hooo)
Oh, baby
I need to be with you
Let me lay beside you
Do what you want me to
All night
Wanna hold you, ooh, baby
Can I touch you there
Come on, come on
Come on, come on
I can keep you satisfied, baby
Come on, come on, come on
Oowee, oowee, baby
Please, baby, oh, darling
Come on, come on tonight
I'll take good care of you
That's what a man is
Supposed to do
And I'll be there for you
All the time
Let your hair down

Let me get you in the mood
Come on, come on
Come on, come on
Take me, take me with you
Into the garden where
Temptation feel so right
Passion can make you fall
From what you feel
In the garden, we can
Make it come alive
Every night
Oh, woman
Here in the garden
You know I never
Wanted anyone
I never wanted anyone
As much as I
As much as I want you
I want you to show me
I want you to tell me
I want to feel all the secrets
If you think I am
Gonna take care of you
If you think I have
Got what you need
Show you right
And I want to take our time
Because we have all night
If you think I am
Gonna be good to you
If you think I
Like what you do
Show you right
Oh, gonna be so
Good to you, baby
Oowee, owee, baby
If you think I am
Gonna take care of you
If you think I have
Got what you need
Show you right
Let me find your secrets
If you think I am
Gonna be good to you
If you think I
Like what you do
Show you right
Show you right
Baby, you know
If you think I am
Gonna take care of you
If you think I have
Got what you need
Show you right
How does that feel
If you think I am
Gonna be good to you
If you think I
Like what you do
Show you right
Oh, show you right
If you think I am
Gonna take care of you

If you think I have
Got what you need
Show you right
Turn the lights down low
