

# When I Think About You

Silk

You  
C'mon

I wanted to tell you how I feel, this is the best way  
To break it down to the point, and right away  
See, you deserve a song and a 'preme beat  
To express yourself and let the Silk meet  
Funky saga, the silence, it can make you ride  
I want you bad and I'm willin' to cry, girl  
If that's what it takes to bring you home, 'cause, see  
You were meant to be here all alone with me  
It's showin', I'm knowin', and livin' and givin'  
The things you gave to me, D-E-V-I-N-E  
It's the alphabet of love, L-O-V-E  
Yeah, 'cause I think about you, baby

You

Oh, when I think about you, oh, when I think about you  
Oh, when I think about you, oh, when I think about you, ayy  
Yeah, you, babe (Yeah, you, baby)  
It's all about you (It's all about you)  
Yeah, you, babe (Yeah, baby)  
It's all about you (It's all about you)  
Yeah, you, babe (Yeah)  
It's all about you, it's all about you  
It's all about you  
Oh, when I think about you

You

Oh, when I think about you, oh, when I think about you  
Oh, when I think about you, hey  
You  
Oh, when I think about you, oh, when I think about you  
Oh, when I think about you, you, girl

I'll nibble on your ear with a little bit of blowin'  
Your body will tingle and you show it  
Place your hands on the back of my neck  
So you can rub, looks like you're fallin' in love  
Yo, feel the warm embrace as I hold you tight  
Satin, Silk for the rest of the night  
Then I'll place my hands on those shoulders  
And then I'll dip, girl  
In circular form, from the hip, girl  
Change the strokes around to make it interestin'  
Then I'll show you what I intend to do  
Next, a seductive kiss to the neck  
And then maybe—  
When I think about you, baby

You

Oh, when I think about you, oh, when I think about you  
Oh, when I think about you, ayy  
Yeah, you, babe (Yeah, you, baby)  
It's all about you (It's all about you)  
Yeah, you, babe  
Embrace me (Yeah), won't you dance with me?  
Let me feel you right

Let me do it all night  
You  
Oh, when I think about you, oh, when I think about you  
Oh, when I think about you, ayy  
You  
Oh, when I think about you, oh, when I think about you  
Oh, when I think about you, you, girl  
You (Oh, I love you, baby)  
Oh, when I think about you  
Oh, when I think about you, me and you  
You  
Come on, baby  
Come on, girl, give it to me now

Body so dope, you cope, you gotta realize  
Step up to her like you knew her, you know you wanna do her  
Girlie got it goin' on, kickin' like a quiet storm  
Runnin' your fingers down her back until the early morn  
S-I-L-K M-A-K-E  
All the girlies W-E-T  
Tina, what's with the freakin'?  
Backin' up to Silk (Yeah, hey)

Baby  
Yeah, you, babe  
It's all about you  
Don't tempt me, you, it's all about you

You  
Oh, when I think about you, oh, when I think about you  
Oh, when I think about you, you, baby  
You  
Oh, when I think about you, oh, when I think about you  
Oh, when I think about you, yeah  
You  
It's all about you, I've got to have you  
I've got to have you, you, baby  
You  
Come on, give it to me  
I've got to have you, I've got to have you, girl, baby
