

Into The Sea

Silke Bischoff

It's hard to be lonely
Here in the crowd
In the shadow of daylight
The music's too loud
Like a bird in a cage
I'm losing my mind
like a fish in a bottle
I wanna die
Come to the sea If you wanna see me
I am here
Can you see the light?
Come to the sea If you wanna see me
I am here
You can be my bride

It's hard to discover
The secrets of life
Your smile in the cold rain
And my golden knife
Like a bird in a cage
I'm losing my mind
like a fish in a bottle
I wanna die
Come to the sea If wanna see me
I am here
Can you see the light?
Come to the sea if wanna see me
I am here
You can be my bride
