

# She's Leaving Home

Silke Bischoff

I call your name  
Can you hear me in this night?  
In this game  
I am falling  
We can only lose the fight

I'm here on my own  
All alone  
She's leaving home  
Can you hear me in this night?  
In this game

Kiss me in the rain tonight

I'm here on my own  
All alone  
She's leaving home

Now I am older  
Now I am older  
Now I am older  
Now I am older

I am so sorry

Now I am older  
I am so sorry  
She is your daughter  
She's not a virgin

Now I am older  
I am so sorry  
She is your daughter  
She's not a virgin

Now I am older  
I am so sorry  
She is your daughter  
She's not a virgin

Now I am older  
I am so sorry  
She is your daughter  
She's not a virgin

Now I am older  
I am so sorry  
She is your daughter  
She's not a virgin

Now I am older  
I am so sorry  
She is your daughter  
She's not a virgin

Now I am older  
I am so sorry

She is your daughter  
She's not a virgin
