

Sometimes

Silke Bischoff

Burning clouds in the sky
I count the hours passing by
I see your face
But what's behind ?
Mysteries - What will I find ?
Is there a tear behind your smile?
Is there a truth behind your lies?

Oh sometimes - Oh sometimes
The truth is harder than the pain inside
Oh sometimes - Oh sometimes
Only the broken heart decides

Burning stars in the sky
Is it because or is it why ?
I count all the tears I've cried
A broken mirror on the wall
Is this an answer or a call ?
I see your face but what's behind ?

Oh sometimes - Oh sometimes
The truth is harder than the pain inside
Oh sometimes - Oh sometimes
Only the broken heart decides
