

Can't Stay Away

Silkk The Shocker

I can't stay away from you
No, no, I can't stay away from you
Although I know you're no good
And I need that good love

Can't leave the game alone, the game needs me
Sometimes it's hard but I just make it look easy
And I get this money, dance like I'm breezy
I ain't even left and she already sayin' why you leavin'
Wait, shorty you way too needy
Wait, and I'm way too greedy
Get to the back, quick young speedy
Give me the mula, mula, young Weezy
Everything I say is true
And everything I say I do, it's crazy
It was lame until I made it cool
And y'all don't thank nobody, y'all ungrateful too
It's the thanks I get for saving you
Look what you made me do
I still can't stay away

Depend on what time of day it is
I'm in different modes
We are not the same, nah, not at all
Different codes
Style for days, I wake up and pick a flow
Gotta be ready, my shooters when they come off the screen
Like a pick and roll, I'm hot but flow keep gettin' cold
Do anything to get the dough
I get that new money and that's never gettin' old
They do anything for clout these days, they start gettin' bold
And if hustlin' was an Olympic sport, psh, I'd get the gold

Dut, dut, dut, dut, go boys
Shock 'em
Oh Lord, Stanley

First things first, if worst came to worst
Don't be playin' in the dirt, you keep playin' you get hurt
Try somethin' new, 'cause them plans ain't gon' work
I keep my hand on my lurk, get your man on a shirt, look
Whatever in the street, don't discuss that
Milwaukee, you can find me where the bucks at
Your word ain't good, we don't trust that
Shorty so bad, I had to cuff that
They say they wanna see me, I said, "Cool, we'll see you then"
Every time I come out, it's news, words like it's CNN
Yeah, two of everything like you see in twins
Tell the world that I'm back, yeah, it's me again

Versace, let me get it back, I'm goin' in, goin' in
Versace, you know what I'm sayin'? It's fresh like it's skinnin'
We the best, you know what I'm sayin'?
You know like we gon' win, you know what I'm sayin'?
It's just like it's news, words like it's CNN

I can't stay away from you, no

No, I can't stay away from you, no
No, I know you're no good and I'd leave if I could
Yes, no, I can't stay away from you, no
No, I know, no, I can't stay away from you, no
No, I know you're no good and I'd leave if I could
Yes, no, I can't stay away
