```
I'm lying down
and you can't see why
I've gone to sleep
Try to relate
can't give in to your temptations (temptations)
All your hopes and dreams,
washing away silently
forget everything you taught me (you taught me)
when I looked up to you
Fall to your knees
and give up your aspirations (aspirations)
falling to your knees
So how can you expect
me to just close my eyes
and forget your mistakes?
defending you is getting
harder everyday, day
I'm breaking down
the ending's near,
the final call to make it through (make it through)
you'll choose
try to relate, forget everything
you taught me (you taught me)
when I looked up to you
So how can you expect
me to just close my eyes
and forget your mistakes?
defending you is getting
harder everyday, day
I'll look inside myself for strength
like a million times before
You'll never let it in because
I know you said
I know you said
I know, I know, I know
Fall, how can you let it go? (let it go)
how can you be this way?
I'll never forget (never forget)
where I come from, where I've been
I'll never become you
So how can you expect
me to just close my eyes
and forget your mistakes?
defending you is getting
harder everyday, day
So how can you expect
```

me to just close my eyes

and forget your mistakes? defending you is getting harder everyday, day

You've lost it all
