

Our Song

Silverstein

I'd rather die than learn my lesson
I'll make the same mistakes
Until my body breaks
But I turned a curse to a blessing
And now I don't care, I don't care, I don't care

I've been getting reckless
Burning through my chances
No looking back when we're so far gone
This is for the fuck ups
Doubled down on bad luck
You can tell everybody this is our song

I don't need saving
Never gonna change me now
Misery made me
Nothing can break me down

I didn't ask for your opinion
But you won't stop talking at me
I'm bored to death already
What makes you think I wanna listen now?
Shut up, shut up, shut up

I've been getting reckless
Burning through my chances
No looking back when we're so far gone
This is for the fuck ups
Doubled down on bad luck
You can tell everybody this is our song

I don't need saving
Never gonna change me now
Misery made me
Nothing can break me down
For all my life
I've been trying to find a way out
Misery made me
Nothing can break me down

(Shut up, shut up, shut up)

Misery made me
Nothing can break me
Misery made me
Nothing can break me
Misery made me
Nothing can break me
Misery made me
Nothing can break me down

Misery made me
Nothing can break me
Misery made me
Nothing can break me

I've been getting reckless

Out of second chances
No looking back when we're so far gone
This is for the fuck ups
Doubled down on bad luck
You can tell everybody this is our song

I don't need saving
Never gonna change me now
Misery made me
Nothing can break me down
For all my life
I've been trying to find a way out
Misery made me
Nothing can break me down
