

Take It Back

Silverstein

I thought I could give you the world
I promised you I was the cure
But I was wrong
I fucked it up

I ended up chasing ghosts
They haunted my head and my home
I let them in
And cursed myself

I took it for granted
And you couldn't stand it
I'm losing my grip

Now I'm tryna forget
How we'll never reset
I can't take it back

I can't take it back

No I can't take it back

Take it back

Take it back

My demons smother me
I've lost all control
The past grips my throat
It's got me in a strangle hold

Yeah
No future
No hope
You got me in a strangle hold

You got me in a strangle hold

I thought I could make it alone
I promised you I couldn't go
I lost myself
I can't take it back

I can't take it back

I can't take it back

Take it back

Take it back

I can't take it back

No I can't take it back
