## Melatonin

## **Silversun Pickups**

she ran into the wall so sweet and unknown a worn comatose

after six milograms we're talking again who would know sweet and so low who would know

my brain doesn't produce any
i'm soaring without anything

she said i'm taking my time
and now we'll move on with everyone
i'll see my friend soon again

my brain doesn't produce any
i'm soaring without anything

we said aloud that we can't pull out
