

# Ain't Comin' Home

Silvertide

Ain't turning back it's my time to fly  
Too many decisions and not enough time  
But I always did like the thrill of living in the unknown  
So pucker up mama 'cause I

I ain't comin' home

Don't hold me back it's my time to fly and  
The devil gave me nine full lives and I say this with a full gr  
in  
Because nothing is better than living in sin

'Cause I ain't turning back it's my time to fly  
Too many decisions and not enough enough time  
But I always did like the thrill of living in the unknown  
So pucker up mama 'cause I

I ain't comin' home

Could you help me babe  
I've been flying all night and you can't leave me babe  
'Cause you keep it pumpin' all night

I ain't comin' home
