CAPTAiN HOOK

SiM

Stop your grandpa driving a car
Stop your grandma going so far
Or they will be shining stars
Before you get rid of the scars

Stop the music, no excuses
Stop that stupid kid, execute him
I'm not confusing
I'll never lose it
Because I know what am I choosing now

Moan and groan, on and on
It's time to grow up, grow up

Callin', callin' you
I'm still calling, calling you
Callin', callin' you
I'm still calling, calling you
Oh oh oh oh oh

Cut the crap I know who is a liar
I know you know who cut the wire
Booom! put out the fire
What is your deepest desire
Spit it out, spit it out, yeah
Answer me with "truth" or "doubt"
Spit it out, spit it out
Speak gently, don't you shout

Moan and groan, on and on
It's time to grow up, grow up

Callin', callin' you
I'm still calling, calling you
Callin', callin' you
I'm still calling, calling you
Oh oh oh oh oh

It's like the end of a story book
I'm a crocodile and you are captain Hook
That was stupid metaphor, my bad

Callin', callin' you
I'm still calling, calling you
If you hear me, come back to life
Don't ask me like that again

Gimme this, gimme that, gimme love
Gimme something it's not enough
Give it up, give it up, give it up
You don't deserve it
Gimme this, gimme that, gimme love
Gimme something it's not enough
Give it up, give it up, give it up

Callin', callin' you
I'm still calling, calling you

Callin', callin' you
I'm still calling, calling you
Oh oh oh oh oh
