CROWS

SiM

Gimme just a little more time to
Pick up a chord
(Just like that) gimme just a
Little more time to not get bored

Ooh la la, like a clueless moron
Ooh la la, it goes on and on
Ooh la la, you're such a moron
Ooh la la, I've been putting up
With you for too long

Yeah the end will come

I am not like you
Every word you say, every breath
You take is toxic
Won't you stop acting like a chump
Your tongue is just a buddhist chant to me
What the hell is a "normal life"
You don't look happy at all

No I'm not just one of those crows
I'm not one of the flying arrows
Watch your back when the wind blows
I've been waiting for this moment for so long

Ooh la la, ooh la la

I am not like you
I'll never feel the same
Because I've got my own name and I own this game
Why you always come into collision with me□
Don't step out of your own division
I'm not gonna settle my way by majority decision
I don't care about public image
I'm accustomed to have partial damage
Do you think you can knock me down□
Go on a drunken rampage in your local town
You're just a piece of…

No I'm not just one of those crows
I'm not one of the flying arrows
Watch your back when the wind blows
I've been waiting for this moment for so long

Ooh la la, ooh la la
I've been waiting for this moment
I've been waiting for this moment for too long

Every word you say, every breath
You take make me doing this

No I'm not just one of those crows
□□□□□□□□□□□
□□□□□□□□□□□□□□□
No I'm not just one of those crows
I'm not one of the flying arrows

Watch your back when the wind blows
I've been waiting for this moment for so long

Ooh la la, ooh la la
Finally, it's over
