

Dreaming Dreams

SiM

Oh-oh-oh-oh-oh!
Never forget this refrain
Oh-oh-oh-oh-oh!
So here we go again

There is too much to in 24 hours
There is too much work for me I've got no power
What's the point in acting the same way as others
I think you don't know, either

I'll say it out loud "no"
Cuz I don't want to know
How to bottle up my emotions
And conform to old notion
No, I don't want to know
How to quit dreaming dreams overnight

How could you know about me by an interview
And a fucking test score
I'll ask you once again
What's the point in acting the same way as others
I think you don't know, either

I'll say "no"
Cuz I don't want to know
How to bottle up my emotions
And conform to old notion
No, I don't want to know
How to quit dreaming dreams overnight

Farewells, the hardships
We must live with everything
I've spend the last 10 years
Every morning I'm still full of fear
But I think this is the life with dreaming dreams
