

EXISTENCE

SiM

I'm waiting for the sun rises again
rise up, let me see the sun

people always say "Black or white", but the world is so gray
even angels and devils were once the son of god I praised
temei no genin wa temee no naka kara zenbu hikurumete omae no saga
kizuku koro ni wa mou you're in a coffin
it's too late to want to do something

what the hell is wrong with me?
I can't remember what I wanted to be?
tick, tack, which is what I found?
I can see the keys are scattered around

kono yoru ga aketemo
nanika kawaru wake janee sa
yes I know, yes I know that I...
yes I know, yes I know that I...
(oh-oh)
I'm the only one who can save myself
I'll never forget "all I wanna be is me"

"aa" kono ima mo kako ni kieteyuku
time is money, but money won't turn back the clock
kurikaesu hibi ni iwakan sura naku
furikaeru michi mo naku nou ni uji ga waku
heiwaboke de daraku myou ni sechigaraku "raku ni shinerya on no ji"
iki koroshi honnou de kyou mo roujou
it wasn't supposed to be like this, hell no
only the rain can bring us a rainbow
why don't you stop counting on tomorrow?

kono yoru ga aketemo
nanika kawaru wake janee sa
yes I know, yes I know that I...
yes I know, yes I know that I...

I am the only one
I am the only one who can stop this decadence and offer my presence
I gotta do it myself even if it goes wrong

the sun will rise again
the sun will rise again

(oh-oh)
I'm the only one who can save myself
even if it seems nothing is bright
the last bit of hope is getting out of my sight
total gain is slight, can't get sleep at night
until the day I find a ray of light
I'll never give it up

ano yoru ga nakereba
kawaru koto mo nakattarou sa
yes I know, yes I know that I...
yes I know, yes I know that I...
(oh-oh)

I'm the only one who can save myself
I'll never forget "all I want to be is me"
