

(The door to the salvation is here  
All you have to do is one thing  
Leave your dirty money  
Then I'll give you the key to the heaven...)

Pay the man-made gods, then you can take the odds  
There's no way out of babylon  
The answer comes from the stereo  
Fools are believing schools of deceiving  
Loose your every fucking feeling and scream

How much rent do you pay for heaven?  
I see, god charges lots of money  
How much rent do you pay for heaven?

I don't need your help

Pay the man-made gods  
You can take the odds
