

If you could feel the end of the line,
What are going to do ?
Run away or hide behind the wall
If could know the truth
What are going to do ?
You'll turn your back on it and
Cry over like this
"I don't want to hear it now"
"I don't want to hear it "
"I don't want to hear it,
No, no, no"
"I don't want to hear it now"
"I don't want to hear it "
"I don't want to hear it,
No, no, no"

I'm not going to explain it again
Like minister's damn refrain
You must know the truth is in your eyes
You're not hypnotized yet
Did you find someone who tells you when it's over
It's not like you Ms. Sober
Why do ya crying like a little girl
Tell me how do you feel it 'cuz
I don't want to hear it now
I don't want to hear it
I don't want to hear it,
No, no, no
I don't want to hear it now
I don't want to hear it
I don't want to hear it,
No, no, no

I'm dreaming of you every single day
I wish I could turn off you
I don't want to hear it now
I don't want to hear it
I don't want to hear it,
No, no, no
I don't want your love
I don't want your call
I don't want to hear your crying
No, no, no
