Happy Home

"I want to feel your love"
"I want to feel your love"
Don't let kids to say like that

No kids can choose thier parentage
Who wants to stand on the edge
Heroes are only in the cartoons
Who's gonna save'em from the villains?

Starts a fight again, it's only to complain
Tell me, does it make something to gain?
Look at the backseat, a little heart is crying silently
Do you see thier smiles recently?

Don't try to make it though alone

If I could save ya
When you're crying in broken home
When you're trying to make it through all alone

Why can't I be like you want me to be
I've been looking for a forgotten keys and trying to fix a leak
Don't look at me like that, I realy don't know waht to do
I didn't mean to scare you
Forgive me, I'll get you something new to play

Don't try to make it though alone

If I could save ya
When you're crying in broken home
When you're trying to make it through all alone

Give them selfless love
They can't get it enough
They want your love not toys

"Don't let me down"
Those words tears her heart into pieces
"I'm sorry that I can't please you. mom, do you hate me?"
Don't let her say those words to you
She wants to feel your love anytime-anywhere
"Dad, why do you hit me?"
Don't let him say those words to you
Hit kids release your stress, it's unfair

"I want to feel your love"
"I want to feel your love"
Don't let kids to say like that

I hope you have a happy home
