

# HEADS UP

SiM

The sound of the rain runs around my brain  
Can't get it out of my head, I'm going insane  
Wa da da dang, wa da da da da dang  
Reload, let me shoot it again  
Wa da da dang, wa da da da da dang  
It's going to explode

Heads-up, heads-up! Take warning  
Heads-up, heads-up! Stay up till the morning  
Heads-up, heads-up! Or your life would be boring  
Y'all want to be thrilled, yeah

(Oh oh oh oh oh oh) This is our way of fighting  
(Oh oh oh oh oh oh) We're not frightened  
Don't tell me what in my life is worth dying for

Ah ah ah ah ah  
Ah ah ah ah ah  
Ah ah ah ah ah  
Ah ah ah ah ah  
Ah ah ah ah ah  
Ah ah ah ah ah  
Ah ah ah ah ah  
Ah ah ah ah ah

Wa da da dang, wa da da da da dang  
Reload, let me shoot it again  
Wa da da dang, wa da da da da dang  
It's going to explode

Heads-up, heads-up! Take warning  
Heads-up, heads-up! Stay up till the morning  
Heads-up, heads-up! Or your life would be boring  
Y'all want to be thrilled, yeah

Cuz they don't feel it  
They don't even look at it  
They don't even care

Heads-up, heads-up! Take warning  
Heads-up, heads-up! Stay up till the morning  
Heads-up, heads-up! Or your life would be boring  
Y'all want to be thrilled, yeah

(Oh oh oh oh oh oh) This is our way of fighting  
(Oh oh oh oh oh oh) We're not frightened  
Don't tell me what in my life is worth dying for
