

I Hate U (It's Not A Play On Words)

SiM

Eh eh eh, oh oh oh
It's not a play on words
I hope you get it straight

How can I accept everything you said
You make me upset
"I'm sorry you feel that way,
But you make me say it
Need I remind you that you tried to break it"

Here it comes, a small fly is flying in my brain
I can't stand your dragon breath
I'm gonna close your fucking reign
Fuck your bro' just like your daddy did
You better drill asshole not a cockpit
I don't give a shit about your fucking friends
No I won't pay you even ten fucking yens

FUCK YOU FUCK YOU
It's not a play on words
FUCK YOU FUCK YOU
It's not a play on words

Eh eh eh, oh oh oh

Greasy face, bald head, your brain must be dead
Everything you've done to me
It's hard to forgive and forget
Hatred is not inherently bad
It's a source of energy for me
But you are way out of the line

FUCK YOU FUCK YOU
It's not a play on words
FUCK YOU FUCK YOU
It's not a play on words

Fuck you, don't care about you
Fuck you, I fucking hate you
Good bye

I don't care if you don't care about me
I don't care if you don't care about me
Oh oh oh, it's not a play on words
You're to blame

Fuck you, I fucking hate you
