

## Keep it Burnin'

SiM

Everyone is believing we can be honest someday in the future  
Everyone keeps reminding themselves that

"□□□□□□□□□□□□"

Certainly, the world is full of noises  
Hard to get the courage to raise voices and make good choices  
But I'm tired of your "another day"

It's not too late to begin (wow-oh-oh)  
I heard "love is for giving" (wow-oh-oh)  
I still feel the same as I used to  
Love is like flickering flames as I knew  
By the time you decide to give it to someone  
The fire has already gone

Why couldn't I say those words to her at the time?  
Why did I cover my ears to ignore her whine?  
Here's no blue fucking robot who rent me a time machine  
Reality is far from a touching scene

It's not too late to begin (wow-oh-oh)  
I heard "love is for giving" (wow-oh-oh)  
I still feel the same as I used to  
Love is like flickering flames as I knew  
By the time you decide to give it to someone  
The fire has already gone

Keep the fire buruin', keep it buruin'  
Keep the fire buruin', keep it buruin'

Your heart isn't hard as iron  
Stop dreaming of zion where you don't belong  
I've told you so many times  
Why do you keep carrying on?

It's not too late to begin (wow-oh-oh)  
I heard that "love is for giving" (wow-oh-oh)  
You care only about yourself  
Come out from your cell  
It's not too late to begin, sing it "wow-oh-oh"
