

KILLING ME

SIM

(Someone) Please cut off my wings
(Trash it) With my pent-up feelings
I don't want to fly in the air with bleeding
Because I'm not the only one

Plug me in, I'm tired of dreaming
Light up something, it makes me fine

When I'm down, your kisses makes me feel alive
When I'm down, your smell makes me feel alive
Oh baby, stay with me
Feel like I'm sinking down into the ground
You're killing me

(Someone) Calls my name again
(Dont push it) You're just waiting in vain
Because I'm flying with my girl, just go away

When I'm down, your kisses makes me feel alive
When I'm down, your smell makes me feel alive
Oh baby, stay with me
Feel like I'm sinking down into the ground
You're killing me

Plug me in, I'm tired of dreaming
Light up something, it makes me fine

It's already 4:19 PM
I'm ready to set fire to you
I want to know more about you
Fellings of something makes me feel so alive

When I'm down, your kisses makes me feel alive
When I'm down, you smell makes me feel alive
Oh baby, stay with me
Feel like I'm sinking down into the ground
You're killing me
