LiFE and DEATH

SiM

I don't care about you if you don't care about me
You can't fuck the truth
Give it up and get on your knees, punk

You're not a saver from above
Stop telling everything is going to be alright
Tell me your real name not messages of love
Sick of your bullshit and I'm ready to fight

Take them down if you were special
Wake me up if you were real
Take them down, wake me up
I know you cannot do

Oh-oh-oh I feel it
Oh-oh-oh I got it
Oh-oh-oh I feel it
Oh-oh-oh but I never goona be an ex-con for you

I'm an avenger from bottom of zion
Come out from your cesspool and confess the fact
Know your rank son, you're not bold as a lion
Tell me why do you refuse to have a contact

Save yourself if you were special
Say your name if you were real
Save yourself with your boring miracle
You better trasform or be invisible
I know you cannot do

Oh-oh-oh I feel it
Oh-oh-oh I got it
Oh-oh-oh I feel it
Oh-oh-oh but I never goona be an ex-con for you

You dead and my life

I can understand what you say
But I disagree with your selfish ways
Who's gonna be knocking on the doors of demon
Stop talkin' about the wonder like Ponce De Leon

No one trust you like you don't believe that sky is blue
If you were special, why can't you save yourself?

You're not a saver
Oh-oh-oh I feel it
Oh-oh-oh but I never gonna be an ex-con fo you

My life and your death
