

# Mr. Wicked

SiM

He thought she loving him and wants to lay  
So he said I love you baby  
Shut your mouth and take your panty off  
But she said hey Mr. Wicked, stay away from me  
I never touch you  
I know you're the fucking animation geek

He could not hold his temper  
And case is happened that nobody wants to remember  
A pool of blood, bullets and sperm  
Some one heard yacky sounds from her room

Wow-oh-oh  
He sang bad songs alone  
Kiss me, kiss me  
Oh baby why don't you kiss me

Three weeks later, he was arrested by the police  
He was smiling and still singing that bad song  
Hey Mr. Wicked, time to testify  
You've got no wings to fly in the sky

He said  
I shot boys, I shot girls  
I shot anybody who likes pearl  
Cuz she likes it, too  
So, I'm in the mood to fuck her again like I did in her room

Wow-oh-oh  
He sang bad songs alone  
Kiss me, kiss me  
Oh baby why don't you kiss me

I know you love me, baby  
Why you pretending to hate me?  
Why don't you kiss me?  
KISS MEEEEEEEEE!  
Why you're so ice-cold?  
It's not like you  
Smells like a dead fish

He could not hold his temper  
And case is happened that nobody wants to remember  
A pool of blood, bullets and sperm  
Some one heard yacky sounds from her room

Wow-oh-oh

Wow-oh-oh  
He sang bad songs alone  
Kiss me, kiss me  
Oh baby why don't you kiss me
