

Murderer

SiM

She is a murderer, nobody knows the truth
Is she a murderer, nobody knows

One day she went to a park and found a hole
Hole to core of the earth
"I've seen nothing like it before!"
But people ignored and reviled her
That she's a bore
They left her alone and locked the door

She made a little bridge
With waste wood to help'em from deep hole
People thank her that
"Without the bridge
We can't even get to the mall"
But another day is collapsed
By fat guy and he fell into hole
TV's guess is
"She did it on purpose, she's a murderer"

Is she a murderer? Nobody knows the truth
Is she a murderer? Here's another story

One day she drove home in the rain
She didn't drink even a drop, she's not insane
When she turned left at the corner
A little shadow appeared in front of her

Then she steered to the right to save the boy
But is choice caused that mishap
She hit a man who was walking
On the other side of the street with her van
You know, she can't stop the time
TV's guess is
"Maybe she was a drunk behind the wheel
And drove too fast, she's a murderer?"

Is she a murderer? Nobody knows the truth
Is she a murderer? Nobody knows oh-oh

This is why she killed her self
This is why she died

It's out of sight and out of device
Life is made with lies and vice
Hold it tight, our sacrifice
Knife is made with broken dice
He lies, she lies and every one lies
Where is the truth? Where is the rule?
Now is time to break through

This is why she killed her self
This is why she died

Is she a murderer? Nobody knows the truth
Is she a murderer? Nobody knows oh-oh
