

Sad Song

SiM

How are you feeling? Anything to say?
What's on your mind now, at the end of the day?
Na na na, na na na, na na ah ah
Kill the stupid music
Don't you see the flowers blooming?
Cats are fighting in my room, again
Na na na, na na na, na na ah ah

Life will end
It's something we can't ever rent
Cheer on, shit on, growing old together
Yeah, is that all that you wanted?

Sad song, sad song
Hard to accept this is a part of me
Sad song, sad song
I've been trying to reject it for so long
Sad song

Broken-hearted people
Finish what you started
Forget the memories of departed days
Na na na, na na na, na na ah ah
Capture all the joy in photographs and share it
I like the way she laughs!
#bestfriendsforever
Na na na, na na na, na na ah ah
Whatever

Life will end
It's something we can't ever rent
Cheer on, shit on, growing old together
Yeah, is that all that you wanted?

Isn't it sad?
Small things, big dreams and carefree smiles

Sad song, sad song
Hard to accept this is a part of me
Sad song, sad song
I've been trying to reject it for so long

I just can't go on
But they say "life goes on"
I just can't go on
But they say "life goes on"
