Oh eh oh, oh eh oh  
Oh eh oh, oh eh oh

□□□□□□□□□ □□□ now we gotta run  
For your safety, you better buy a gun  
If you wanna take a walk under the sun  
□□□ □□□□□ body □□□□□ □□□□□? □□□□□  
He said "in the end, everything's a gag"  
Every single note is dancing on grids  
We're not making music by only "clicks"  
The sky is your limit because you've lost the spirit  
I don't expect you to dig my lyrics  
Hope you get me right, I said that as a slight  
You don't know the meaning of this color on my necktie  
Fight before a fight, fight after a fight  
Fight every night like The Joker and The Dark Knight

Oh eh oh, oh eh oh  
Oh eh oh, oh eh oh

(Clap, clap, clap) no need to use your head  
(Clap, clap, clap) go back to your bed  
You better stay away from me

You can't understand what is in my hand  
You think I'm building castles in the sand  
You can't understand what is in my hand, hand, hand  
DON'T FUCK WITH MY BAND

Oh eh oh, oh eh oh  
Break down

Burn it up, burn it up, you gotta make it bun dem  
Turn it up, turn it up, wicked sounds come again  
Don't you want to be here? This is a treat to the ear  
You don't have to love me for a thousand years  
Burn it up, burn it up, □□□□□  
Turn it up, turn it up, □□□□□□□  
□□□□□□□□□ □□□□□□□□□ Reborn □□□□□□□□□

Let's go! NEW WORLD!

You can't understand what is in my hand  
You think I'm building castles in the sand  
You can't understand what is in my hand, hand, hand

You don't know what is in my hand  
But someday you will understand that  
YOU are the one who's playing in the sand  
Building castles in the sand (Oh eh oh)
