SiM

Sick, sick, sick of you
Sick, sick, sick of you
Sick, sick, sick of you
Bullshit

Your lines and actions, not original
Stupid acting is just surreal
Your life and trails won't be eternal
(You're) much worse than a wanted criminal

(Ah yeah yeah) □□□□□□□□□□ □□□□□□□□
(Ah yeah yeah) □□□□□□□□□□
Did ya hear what I said?
Said, said, siiiick!

I'm sick and tired of your duplicity
Sick of being stuck in this city
I'm leaving you
Whatever happens, I've made up my mind

Buddy bye... buddy bye number one
When mi say "blow" wind blows, need no magic wand
Buddy bye... buddy bye number two
It's like "Bibbidi-Bobbidi-Boo"
There's nothing I can do for you

La li li la li la li la la la li la li la
La li li la li la li la la la li la li la

(Ah yeah yeah) □□□□□□□ □□□□□□
(Ah yeah yeah) □□□□□□ after all, our life goes on

I'm sick and tired of your duplicity
Sick of being stuck in this city
I'm leaving you
Whatever happens, I've made up my mind

Yey yey yey yey yeah, yey yey yey yey yeah
Yey yey yey yey yeah, yey yey yey yey yeah
Oh yeah

Have you already forgotten about the casualties
What's stopping you? tell the truth to their families
You don't give a shit about "live or die"
Biddy bye bye, I bet your reign ends tonight

Damn, check the shit out
I've made up my mind
This song goes like this, come on

(Ah yeah yeah) □□□□□□□□□□ □□□□□□□□
(Ah yeah yeah) □□□□□□□□□□ do ya hear what I say?
Say, say, siiiick!

I'm sick and tired of you

Sick of being stuck in this city

I'm leaving you
Whatever happens, I've made up my mind

Don't believe in me
I gave up on you, you, you

I'm sick of you
