

## Treasures

SiM

You don't even try to know how I feel  
Stop keep asking me if I am for real  
When I fall to the ground and there's no one around  
I bet you'll do nothing for me, I know, I know

If you find some treasures in my yard  
Believe me, you can keep it as your master card  
Did you find some treasures in my yard?  
It's not easy, Mr. Greedy, the sun goes down

Did you find love?  
Things you call love  
Did you find something nice in my yard?  
I scream it "Oh Lord, have mercy!"  
"Oh Lord, have mercy!"  
"Please help this man who tries to hurt me"

Atama n chū manē-kin dare no tame  
Orijinaru kidori de dare no mane  
Iinogare no jutsu kosaeru koto yori taeru koto e kaji tote  
Kachitore ubau koto o tome  
Inore utagau koto o tome  
Nanimokamo If it's all the same  
Why can't you forget name of her?

Did you find love?  
Things you call love  
Did you find something nice in my yard?  
I scream it "Oh Lord, have mercy!"  
"Oh Lord, have mercy!"  
"Please help this man who tries to hurt me"

You want to know what's in my bedroom closet  
Not something like a ship or a rocket  
Too bad, exceed your budget  
You can't find it in the market

If you find some treasures in my yard  
Believe me, you can keep it as your master card  
Did you find some treasures in my yard?  
It's not easy, Mr. Greedy, the sun goes down

Did you find love?  
Things you call love  
Did you find something nice in my yard?  
I'll pray for you, pray for you  
I'll never curse you, what a sad man  
Then I scream it "Oh Lord, have mercy!"  
"Oh Lord, have mercy!"  
"Please help this man who tries to hurt me"
