

# Under the Tree

SiM

Where are you at?  
Where have you been?  
Toikake ni kotaе wanaku  
Where are we headed?  
What did you mean?  
Oikakete mo osoku tōku  
A bird, a butterfly and my red scarf  
Don't make a mess of memories  
Just let me heal your scars  
The wall, the owl, and forgotten wharf  
Toki ga tomaru koto mo naku

We're getting older  
Second, by second, by second

Why, oh, why? Why, oh, why?  
Don't you wanna stay with me?  
Why, oh, why? Why, oh, why?  
Are you giving up on me?

I'll be waiting, waiting for you  
Let me hold you under the tree  
Under the tree-ee-ee, ee-ee-ee  
Ee-ee-ee-ee  
I'll protect you!

Why were you crying?  
What are you dying for?  
Your dream, did it satisfy or terrify?  
Annoying pain in my head  
The things left unsaid  
I'm sorry we have to rely  
On you too much to be free

Why, oh, why? Why, oh, why?  
Don't you wanna stay with me?  
Why, oh, why? Why, oh, why?  
Are you giving up on me?

I'm here so we don't need to talk  
I'm here so we don't need to talk  
I'm here so we don't need to talk  
I'm here to tell you there's no need to talk  
Burn!  
I'm free!

This is already enough  
We'll figure out the rest  
Let me shoulder your sins together  
With you!  
People will not call it love  
And we won't be blessed  
Let me shoulder your sins together  
For you!  
If I lose it all

I'll be waiting, waiting for you

Let me hold you under the tree  
Under the tree-ee-ee, ee-ee-ee  
Ee-ee-ee-ee  
I'll protect...  
Burn!
