

# YO HO

SiM

YO HO YO HO  
Sing along through the night  
YO HO YO HO  
Hey ladies! sail to the shadows, let's go blind!

Da la la da la la da la la la  
Da la la da la la da la la la

Tell me what do you believe in, so far?  
(Don't you pray? Let's pray!)  
No murder, be a fast learner  
Don't you want to grab a big cheese burger  
What did you find behind the bars?  
(Don't you play? Let's play!)  
Don't trust me, everything is rusting  
Go away, if you think it's disgusting

(YO HO YO HO)  
Don't make my lips dry, bring more beers  
(YO HO YO HO)  
Because it's not like us to drown in tears  
(YO HO YO HO)  
Defeat all the fears

I've done it on my own, on my own  
Done it on my own, on my own  
Done it on my own, on my own  
And I'll stay standing here... YO HO HO!

Da la la da la la da la la la  
Da la la da la la da la la la

Tell me why are you scared for?  
(Don't you pray? Let's pray!)  
Everyone says "I'm not mental  
I'm just trying to be steady and gentle"  
What do you want to do when you get back  
(Don't you play? Let's play!)  
Don't lean on me, it's "division of labor"  
Do your job, don't break the harmony

(YO HO YO HO)  
Don't make my lips dry, bring more beers  
(YO HO YO HO)  
Because it's not like us to drown in tears  
(YO HO YO HO)  
Defeat all the fears

I've done it on my own, on my own  
Done it on my own, on my own  
Done it on my own, on my own  
And I'll stay standing here... YO HO HO!

I don't care, I don't care  
I don't care, I don't care, care, care if it's wrong  
Because I, I can fix it on my own, yeah-ah, yeah-ah

I've done it on my own, on my own  
I've done it on my own, on my own  
I've done it on my own, oh

I've done it on my own  
Every little thing like a diamond ring (On my own)  
Melodies of a song that you used to sing (I've done it on my own)  
Memories I've lost in the rain and wind (On my own)  
But the summer will come after the spring, yeah-oh, yeah-  
oh (I've done it on my own, on my own)  
And I'll stay standing here... YO HO HO!
