

By You

Simi

I'm scared of falling
But I will fall a thousand miles for you
I'm scared of flying
But in a heartbeat I will count the clouds for you

Halle, Halle, Hallelujah
Èdùmàrè lẹ sọ wa pọ
Mo gbeke le è o
O if you ever need to smile
I can be your reason why and your peace of mind
O lẹ gbeke le mi o
You know I go stand by you
I go stand by you
Anything you do
I'll be right by you
Torí náà kòsì anybody l'ayé
I'd rather spend my life with
Baby mi I go stand by you

Bí iná banjo o
Má pàdà lẹyin mí baby
In a sea of people I've been searching for you
You can rely on me baby
I will make you cry in happiness
Will you forgive me for the happy tears?
Just know I'll always be right there

Oh Halle, hallelujah ah Simi hallelujah
Èdùmàrè lẹ sọ wa pọ
O le gbeke le mí
Oh Halle, hallelujah ah ooh hallelujah
Moti renikeji ti má balo, Moti renikeji
You know I go stand by you, I go stand by you
Anything you do I'll be right by you
Torí náà kòsì anybody l'ayé
I'd rather spend my life with
Baby mi I go stand by you

Mósè ilérí kàn ilérí kàn fún é
I promise I can be whatever you need, you need me to be
And you be the only one I'll be calling
When I need some loving
I know you got me oo baby
You know I go stand by you
I go stand by you
Anything you do I'll be right by you
Torí náà kòsì anybody l'ayé
I'd rather spend my life with
Baby mi I go stand by you
You know I go stand by you
I go stand by you
Anything you do I'll be right by you
You know I go stand by you
I go stand by you
Anything you do I'll be right by you
Kòsì anybody l'ayé
I'd rather spend my life with

Baby mi I'll be right by you
